| | Wireless Microphone (900MHz) |
| Speaker | Embedded speaker(30W + 30W) |
| Writing S/W | Panser S/W |
| Repeater | Power Input , VGA Out , LAN , RCA , Stereo Out , Speakers |
| Dimension | W700 X D850 X H420 (mm) |
| Weight | 27KG |

* Goal and proposal

1. Classroom environment

Consider convenient classroom environment
(USBport , cup holder , cell phone holder , slider)

2. Interaction

Connect to the existing projector, electronic screen or board and brand-new electronic device.

3. Convenience and Security

Easy to move and carry.

Locking device

4. Window 10

5. Best price

e-podium's $\frac{1}{2}$ economic price

6. A/S

Produce directly and fast response and **after service**
